

The new **Invacare Colibri** is a stylish, simple and colourful micro-lightweight scooter, designed for those who enjoy a totally independent lifestyle.

Thanks to the unique Invacare LiteLock system, the scooter can easily be taken apart without the need for tools, and fits neatly into any car boot. Plus, with its small footprint, the Invacare Colibri offers greater manoeuvrability in tight, or limited spaces.

Additionally, you can choose from a range of trendy colour panels to match your style, swapping them according to your needs.

Effortless Dismantling

Don't think - do it! Less than a minute is all that's needed to disassemble the Colibri for transportation.

Increased Comfort

The soft, padded seat provides comfort during driving. For increased comfort, there is also the optional 'east fit' seat suspension kit.

Ergonomic Handlebar and Plastic Basket

For greater comfort and prevents fatigue in hands and wrists.
